The new **Axis 360 eBook** service incorporates the latest Web technologies and cloud-based delivery to mobile devices. Patrons will enjoy the dynamic presentation of titles on the Magic Wall, the ease of locating ebooks and audiobooks of interest via Browse by Subject pages, as well as guidance provided via book reviews and recommendations for further reading. It is hoped that this new service will improve the user experience for borrowing digital content from the library. The Cloud-based delivery simplifies the process of downloading what patrons want to read onto the devices they prefer to use, including iPad, iPhone, Android, Windows, NOOK® and Sony Reader™ devices, and many more.

**Why buy when you can borrow?**
