

Missouri Libraries 2 Go (MoLib2Go) OverDrive Consortium

Riverside Regional Library is switching eBook service from Axis 360 to Overdrive. For years we've maintained our own e Book collection, and now we're excited to announce that on July 1st, we'll be moving all of our Axis 360 collection to MoLib2GO!

MoLib2Go is a consortium of 103 Missouri public libraries that offers an extensive library of popular eBooks, eAudiobooks, and eMagazines through the OverDrive Service. The collections include:

- 41,498 eBooks
- 8,071 eAudiobooks
- 3,512 eMagazines
- 356 videos for streaming

Readers may browse their library's MoLib2Go digital collection, instantly borrow titles and start reading or listening for free with a valid library card. Patrons can check out seven items total (eMagazines not included) for fourteen days with a seven or twenty-one-day option available to them. This service is compatible with all major computers and devices, iPhone, iPad, Android phones and tablets, Chromebook and Kindle. All titles will automatically expire at the end of the lending period, and there are no late fees.

If you haven't already, take a look at MoLib2GO! and log in using your library card and sign up so you'll be ready on July 1st!

If you have further questions, don't hesitate to give us a call at (573) 243-8141.
