## Ebooks and audiobooks available anytime through the Libby App

It's the middle of the night and you just finished reading the last book you checked out from the library. What do you do? Try the Libby app on your phone or portable device. The Libby app allows you to access and download ebook and audiobooks, check out materials for from one to three weeks, place holds on materials and read whenever and wherever you are.

Search for "Libby app" or "Libby by Overdrive" in your app store. Download the app. Use your library card number and PIN as the username and password. (Contact your branch library if you don't know your PIN.) It's just that easy.

Links to the app stores are available on the library's website. This is also where you can find video tutorials for using the Libby app. <https://riversideregionallibrary.org/ebooks-audiobooks>

## Digital Resources – Genealogy and History

Interested in researching your family's history? Looking for information on your community's history? Check out the eResources/Genealogy and History page of our website

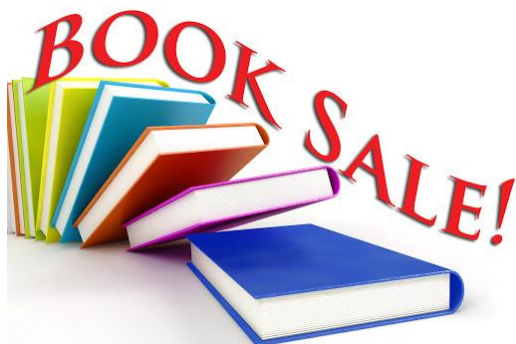

[www.riversideregionalibrary.org/genealogy-and-history](http://www.riversideregionalibrary.org/genealogy-and-history).

- Ancestry offers access to over 1.2 billion genealogy records from birth and death certificates to military records. Accessible in library branches only.
- Heritage Quest is a comprehensive treasure of American genealogical sources—rich in unique primary sources, local and family histories and more. This database is accessible from your home using the link on our website.
- Missouri Digital Heritage give access to more than 9 million records, include the collections of the Missouri State Archives, the Missouri State Library and other institutions from across the state.
- Digital Newspaper Database holds a growing collection of digitized historic newspapers from the State Historical Society of Missouri. These images are freely available to the public and are keyword-searchable.

Each Riverside library branch has its own displays, contests and activities. Be sure to stop by and see what's happening at your local library.

## Books for Sale

Riverside Library branches have books available for sale. These books are gently used and have been donated or were withdrawn from the library's collection. Check out the books that are available at your local library branch. Some branches have books for sale on an ongoing basis. Scott City will have its spring book sale January 10 - 15 during library open hours.
