Women's Suffrage Exhibit at Main Branch in Jackson

To coincide with Women's History month, Riverside Regional Library is hosting the Smithsonian Traveling Exhibit *Votes for Women: A Portrait of Persistence*. The exhibit will open on March 3. The story of women's suffrage is a story of voting rights, of inclusion in and exclusion from the franchise, and of our civic development as a nation. This Exhibit celebrates the 100th anniversary of the Nineteenth Amendment on August 17, 2020 and explores the complexity of the women's suffrage movement and the relevance of this history to Americans' lives today.
